

**MINUTES  
STAYTON FIRE DISTRICT  
SAFETY COMMITTEE MEETING**

**01-20-09**

**Conference Room  
1988 W. Ida Street**

**Stayton Fire Station**

Called to order at 17:10 hours by Andy Wooldridge

Members present: Ken Smith, Barbara Nelson, and Andy Wooldridge

Guests: Rhonda Grant, Deanna Classen

**OLD BUSINESS:**

- 1) We had a bit more discussion about the near miss reporting and we have decided it will be of benefit to us at the local level for our own safety tracking. Ken will write a recommendation for the implementing of this.
- 2) One near miss that was noted by Barbara is the Brick Rd. Motor home fire that had firefighters fall through the floor in the house. Evidently they were proceeding without sounding the floor and went through. These kinds of things would be better investigated if there were reports written so that we would have the proper information.

**NEW BUSINESS:**

- 1) Ken showed a portion of the DVD from Indiana University on Firefighter health and wellness. We decided to order it. We would like to see this as a recommended class for all firefighters.
- 2) We are in need of management representation on the committee. We lost Brian Classen and he filled that roll for us. We would also like to see representation from the east end of the district.
- 3) We voted for officers and Andy is still the Chair of the committee and Ken is still the secretary.
- 4) Next month we will work on budget requests.

**INCIDENT REPORTS:**

None
