

**MINUTES
STAYTON FIRE DISTRICT
SAFETY COMMITTEE MEETING**

06-17-09

**Conference Room
1988 W. Ida Street**

Stayton Fire Station

Called to order at 17:00 hours by Andy Wooldridge

Members present: Ken Smith and Andy Wooldridge

Guests: None

OLD BUSINESS:

- 1) We talked about first aid supplies. The supplies we got last year are expired or expiring soon. We still have most of those supplies unused. It is our thought that we should look for smaller quantities, say packs of 50 instead of 250. Then just buy enough to last a short time. The supply will be fresher and we won't have expired meds in the cabinets. Ken will work on this.
- 2) Ken needs to write a recommendation for the FF near-miss reporting program.
- 3) The Rodeo will be July 16th and 23rd. Ken will confirm the site. We will have the rodeo from 10:00 – 21:00 hrs on both days. There will be no make-up times.

NEW BUSINESS:

- 1) It has been requested that we post the minutes online rather than using hard copies. Ken will get together with Laura on this.
- 2) We had some discussion about the health and fitness. How do we get people interested in physical activities? What kind of activities can we do?

INCIDENT REPORTS:

We had a firefighter receive a back injury while lifting incorrectly in the gym. He had a spotter and the weight was within proper limits. Ken has since had conversations with Jay about how we encourage people to get exercise and yet keep them from getting hurt while lifting.

GOOD OF THE ORDER

Next month's meeting: Driver's rodeo

Station inspections due.

Adjourned at 17:45 hrs.

07/08/09

Date

Ken Smith, Secretary
