

**MINUTES
STAYTON FIRE DISTRICT
SAFETY COMMITTEE MEETING**

05-19-09

**Conference Room
1988 W. Ida Street**

Stayton Fire Station

Called to order at 17:00 hours by Andy Wooldridge

Members present: Ken Smith, Barbara Nelson, Ken Rowling and Andy Wooldridge

Guests: None

OLD BUSINESS:

- 1) We talked about first aid supplies. The supplies we got last year are expired or expiring soon. We still have most of those supplies unused. It is our thought that we should look for smaller quantities, say packs of 50 instead of 250. Then just buy enough to last a short time. The supply will be fresher and we won't have expired meds in the cabinets.
- 2) We thought that it would be a good idea to put a health and fitness article in the Spanner. Ken will work on that.
- 3) Ken needs to write a letter of recommendation for the FF Near-miss program.

NEW BUSINESS:

- 1) It has been 4 months since the last firefighter injury. Ken will write something for the Spanner on this as well.
- 2) We had some discussion about the National Fire Academy offerings. Barbara talked about the quality of training and suggested that we go and take something that pertains to safety.
- 3) Ken to check on rodeo plans. When will it be and where. How many opportunities will there be to complete it.

INCIDENT REPORTS:
