

ATTENTION **LANDOWNERS!**

Grant opportunities are available in the **Santiam Canyon** to help landowners **reduce wildfire hazards**.

Grant money may assist with:

Removing dead or unhealthy vegetation.

Replacing ground covers with nonflammable alternatives.

Thinning and limbing of shrubs and trees.

Small and large acreage properties can benefit from rebates & cost-shares.

Funding is only available for a limited time, so please **act now!**

For questions or more information please contact:

KJ DeGuire, Oregon Department of Forestry

kelsii.j.deguire@oregon.gov or (971) 275-4397

Payment rates may vary. Grant funding is at the discretion of the Oregon Department of Forestry.
