

Join OSU Extension Forestry & Natural Resources, Marion Soil & Water Conservation District, Silverton Fire, Office of State Fire Marshal, Marion County Emergency Management, and other partners to learn about wildfire preparedness in Marion County.

This meeting will offer details about fire and emergency response specific to Marion County. This is an opportunity for you to meet professionals from your area, answer your questions about how to improve your readiness starting NOW, and learn about resources and grant programs to help you do work around your home and land. This program will build on the statewide **Fire aware. Fireprepared.** webinars (visit <https://beav.es/FAFP> for videos and resources.)

Meeting Objectives

- Provide critical local information and contacts to assist residents with fire preparedness
- Learn County fire and emergency response structure
- Feature inspiring local examples
- Begin community/neighborhood networking

When: July 15 at 6pm

Where: Online through Zoom

Cost: This meeting is free

Register: <https://beav.es/3B5>

Email: amanda.brenner@oregonstate.edu **Call:** 503-655-8631
